Step 5: Enter your players jersey size, requests, **READ & CHECK the BOX** for the U10 & above player agreement. Click “Continue”

U-10 & Above Individual Agreement

By checking this box I understand the following:

- Individual interest for age groups U-10 and above varies with each season. If RSD Staff receives enough individual interest in a specific age group, a house team (team of individual players) will be created for that specific age group.
- If RSD DOES NOT receive enough individual interest to create a team, we will reach out to existing teams, to try to place individual players.
- Only individual players who are placed on a team (RSD house team or existing team) will be required to pay their registration fee.
- RSD Staff will contact individual players after the registration deadline has passed.
- RSD will do their best to place all individuals onto teams, however I understand that registering as a U-10 and older individual player for this league DOES NOT guarantee participation in the Winter Youth Soccer season. ***

Step 6: Click “Checkout”

Registration for your player is now complete. RSD Staff will contact all individual players after the registration deadline.
