

Adult Membership Policy

All Adult players participating in a current or future league will be required to have a current adult membership and player card to present at every league game. This means you must have a valid Adult Membership and player card.

Why are memberships required at Swift Sportsdome?

Membership is required for all adults participating in a league at Swift Sportsdome. Player cards allow for SSD Staff to ensure that only rostered members are participating in games.

What does this mean for my team?

Depending on your sport, all players will need to present their valid players card to an SSD Staff member or referee prior to the start of the game. Players with expired memberships, no memberships, or no player card will be asked to leave the game immediately and may return once they have a valid players card or temporary pass. No exceptions.

How can I purchase a membership?

There are 2 ways to purchase an adult membership.

- 1) In person at the snack bar area prior to your game
- 2) Online via your DaySmart account. If you purchase your membership online, stop by the snack bar to get your picture taken and player card printed.

We recommend showing up early and giving yourself enough time to obtain a player's card prior to the start of your game.

I play in more than 1 league at Swift Sportsdome, do I need to have multiple players cards/memberships?

No, all players just need to purchase 1 membership and have 1 players' card. Memberships are \$30 and good for 1 year.

What happens if I forget my players card?

Player cards are required and must be presented to SSD staff members or referees at the start of each game. If you forgot your player card, you can pay \$5 at the snack bar for a temporary pass.

What happens if I lost my players card?

Player cards are required and must be presented to SSD staff members or referees at the start of each game. If you lost your player card, replacement cards are \$15.

I have a valid players card, but my team manager has it and is running late etc. What do I do?

If you have a valid membership/players card and someone else is bringing it, you can go to the bar and receive a temporary pass. You have until half time to present your player card. If you **DO NOT** present your player card by half time, the game will end, and your team will forfeit.

One of my players or I received a red card or was ejected from a game, do I get my players card back?

No, any player that is issued a red card or ejected from a game will not get their player card back at that game. Please refer to the red card policy for additional information.

If you have any questions, contact our office at info@renodome.com or 775-328-1301.
